

VFW South Carolina receives significant savings on Excelsior College tuition and fees through this education partnership to bring reduced tuition and fees for associate and bachelor degrees and a reduction in tuition for master degrees and undergraduate and graduate credit bearing certificate programs. Excelsior College helps busy working adults earn the degrees they need through a variety of flexible distance education programs.

VFW South Carolina includes VFW members, employees and Ladies Auxiliary members, and their spouses or domestic partners for eligibility for the education partnership.

What a student should know:

You can receive a courtesy unofficial review of your military and civilian credits toward the associate or bachelor degree you are closest to completing based on your credits. This will allow you to bypass the application fee and process to be able to go straight to enrollment.\*

If you take at least 6 credits in a year you will be able to by pass the annual fee.

Prior to degree completion, you must take 12 credits via online or CD ROM courses.
