

GENERAL ORDER No. 1

AUTHORITY: ARTICLE V: SECTIONS 516-518 OF THE MANUAL OF PROCEDURE AND THE NATIONAL BY-LAWS OF THE VETERANS OF FOREIGN WARS OF THE UNITED STATES. THE UNDERSIGNED HEREBY ASSUMES COMMAND OF THE DEPARTMENT OF SOUTH CAROLINA EFFECTIVE 19 JUNE, 2022.

Ed Stefanak Jr.

Ed Stefanak Jr.
State Commander

Attested By:

Kevin Joy

Kevin Joy
State Adjutant

Comrades,

The Department of South Carolina has done a great job in recruiting new members each year. The only way to make this success permanent is to retain those members. The more members we retain, the easier it will be to meet membership goals and requirements. Recover as many past members as possible if possible. Comrades do not renew for various reasons. It's our responsibility to get them back into the organization and get them involved in what the VFW does. Continue to recruit new members and get them involved in post events and community service.

We must improve the way we communicate with our members at all levels of the organization. We also need to have a positive, welcoming, and clean environment for all our comrades. Commanders, it's imperative that post/district meetings run smoothly and quickly. Most of the reasons post members don't attend meetings is because they drag on. It is our responsibility as commanders to have agendas for meetings and limit cross talk and other things that cause distractions.

We need to use all methods available to convey information to our membership. This can be accomplished easily with newsletters, emails, social media, and outreach teams. These are some effective ways to maintain communication with our members. We need to know who our members are and how we can address their needs and concerns. We need to focus on the basic tenets of our organization: to take care of our members, their families, and the veteran community as a whole.

Ed Stefanak Jr.

Membership Mission

To recruit, retain and mentor a stable membership base including all generations of veterans. To provide a healthy and friendly environment for all of our members and their guests. To cultivate a membership that is well versed in institutional knowledge and actively involved at all levels of the organization and in the local community. To establish Posts with an established vision of service, leadership, and community outreach.

South Carolina has done an excellent job in recruiting new members each year. The only way to make this success permanent is to retain those members. The more members you retain, the easier it will be to meet membership goals and requirements. Recover as many past members as possible, if possible, comrades do not renew for various reasons, it's our responsibility to get them back into the organization and get them involved in what the VFW does. Continue to recruit new members and get them involved in post events and community service as well as mentoring them and explaining what WE, the VFW does. We must improve the way we communicate with our members at all levels of the organization. We also need to have a positive, welcoming, and clean environment for all our comrades. Commanders it is imperative that post/district meetings run smoothly and quickly. Most of the reason post members do not attend meetings is because they drag on. It is our responsibility as commanders to have agendas for meetings and limit cross talk and other things that cause distractions. We need to use all methods available to convey information and events to our membership. This can be accomplished easily with newsletters, emails, social media, and outreach teams. These are some effective ways to maintain communication with our members. We need to know who our members are and how we can address their needs and concerns. We need to focus on the basic tenets of our organization: to take care of our members, their families, and the veteran community. Lastly, this organization is for every combat veteran that qualifies, regardless of their race, gender, age, or personal beliefs. Discrimination and toxic post environments of any kind does not promote growth, it stiffens it.

Membership Goals:

1. Build a strong membership program at the post/district level. Appoint a membership chairman at the post/district level to work with the State Membership Chairman to receive weekly information on expiring dues, transfers, or events in your local community to where you can recruit.
2. Work together to achieve the VFW's goals. Get outside of the four walls of your post and do fundraisers for VFW programs, Fundraisers for Comrades in distress, families of comrades in distress, aid to a person in need in your local community. (examples: National Home, Veterans Service Officer, Commander's Special Project, Buddy Poppy Distribution, Patriots Pen, Voice of Democracy, Teacher's Education Citizenship, Back to School events, Meals on Wheels, Soup Kitchens)
3. Appoint a Post/District service officer who will work directly with our State Veterans Service officer to effectively have post members' claims opened or re-evaluated. If our members are able to file new claims and receive the benefits from the VA they are rightfully entitled to or receive a higher percentage from what they already have, they will keep coming back. Our goal is to help every veteran we can. This is the biggest resource we must do just that.
