“MOVING FORWARD”

Comrades,

I would like to thank all the members of the State of South Carolina for putting their trust in me to be their Department Commander for 2023-2024. Moving forward is my motto and we will be doing just that. From raising much needed funds for our VSO office to honoring our POWS who returned for Hanoi Hilton 50 years ago.

We are looking to serve our veterans in rural location throughout our state, to help them get the benefits they deserve.

Membership is always at the top of our priorities and is no different this year. Our goal is 102% in total membership. Working closely with our auxiliaries is essential for our overall success for the Posts, Districts, and the Department.

We all must work together for our veterans and their families.

Let us all strive to be kind to each other and to make 2023-2024 a great year.

God Bless

Jim Fox
Department Commander
2023-2024

South Carolina Veterans of Foreign Wars Department

Membership Program

Moving Forward!!

James “Jim” Fox
State Commander

Membership Mission

To recruit, retain and mentor a strong membership base, consisting of all generations of veterans, including every category of race, gender, ethnicity and/or religious beliefs.

To cultivate a membership well versed in instructional knowledge, that is actively involved at all levels of the organization and in their local community.

To create and develop Posts with an established vision of service, leadership, and community outreach.

Introduction

The #1 priority for South Carolina in 2023-2024 is to double our efforts in the areas of recruiting and retaining membership throughout the entire state. Success starts at the Post level: each

Post must have a strong membership chairman, as well as a committee that coordinates with the District and Department membership chairmen and their respective committees. Their goals and purpose are to help coordinate recruiting events, while assisting Posts to make their membership program successful.

For those who are a Post, District or Department line officer: we need to show our members how it should be done, by getting out there and leading by example, and demonstrating how to recruit and retain members ourselves. We also must use all means necessary to reach out to potential new members and retain our current comrades, using modern technology. Getting outside the four walls of the Post can be accomplished while introducing ourselves to potential new members via social media, emails, calling and/or texting.

Membership Goals

1. Continue to build strong membership programs at the Post, District and Department levels, while working with the Department Membership co-chairman. We need to work together to reach the goals set for membership with constant communication.
2. Continue to work together and promote all our VFW Programs. Most importantly, we need to be visible in the community: doing fund raisers; attending local community events; recruiting new members; and handing out Buddy Poppies.

Membership Objectives

1. Every member should recruit and mentor one new member.
2. Every Post needs to renew current members with retention being 75% or higher.
3. Every Post needs to recruit a minimum of five new members.
4. Increase Life and Legacy Memberships.
5. Increase and improve membership drives throughout the State.
6. Develop new Posts, and/or revitalize existing Posts.
