Pearl Harbor memorial ceremony will again be hosted by Veterans of Foreign Wars Post 10624 Mount Pleasant on Monday December 7, 2020 on the USS Yorktown at Patriots Point. As we all know we have all had to make changes due to the Coronavirus. As of now we do not know what things will be like in December. So, at this time, we will be proceeding under the current CDC guidelines and local regulations regarding the virus. Which means limited attendance to maintain social distancing. We will have to limit the number of participants to 160 on the deck. Mask are required at Patriots Point. Mask are required at Patriots Point.

People ordering wreaths to throw will be the first to be on the list of the 160. Please if you are ordering wreaths and want to attend the ceremony send your forms in early. We will need a good contact phone number, email address and physical address for each form. To accommodate the most possible people to throw please limit it to two persons throwing each wreath. We will have to stop accepting orders when we reach the magic number of 160. If you cannot or do not want to attend in person but would like to order a wreath in memory of a loved one, we can accept those orders and have them thrown for you. We hope we can have a good ceremony even under these conditions.

The ceremony will be live streamed on the Yorktown Facebook page for those who wish to participate that way.

Normally after the ceremony VFW Post 10624 has a lunch. As this time, we are unsure if we will be having this luncheon. As time gets closer, we will be able to reassess and see if this can happen. If you have responded that you will be attending, you will be notified by email of the change.

I would like to thank Bobby Kotlowski Yorktown event manager and his crew for working so well with us to have this Memorial ceremony again this year under these uncertain times.

Yours in comradeship,

Bill King
