

The background of the entire flyer is a photograph showing several hands holding white coffee cups filled with a frothy beverage. The cups are arranged in a way that they overlap, creating a sense of a social gathering. The lighting is warm and soft, highlighting the texture of the coffee foam and the skin of the hands.

Ralph H. Johnson VA Medical Center presents a ...

VETERAN'S COFFEE SOCIAL

Whether you're looking for resources, support,
or just good company, this is the perfect
opportunity to connect.
