

The Stars & Stripes Society donor recognition program is designed to enrich the giving experience for those who generously contribute essential funds to support the VFW's veteran-focused initiatives. Elite Donors, as recognized in our annual report, may request a recognition kit, while all new program donors will automatically receive recognition items. Through this program, we aim to provide a meaningful way for individuals, organizations, groups, and businesses to make a lasting impact on the VFW's mission. As a testament to the power of these contributions, last year alone, the VFW helped secure over **\$14.6 billion** in disability compensation and pension benefits from the VA for veterans, ensuring they receive the dedicated representation they deserve for their selfless service to our nation.

Membership in the VFW or its Auxiliary is not a requirement. This program is open to those who desire to leave a lasting impression by supporting the work of this organization. Donors can choose the level and timing of their gift which best suits their ability to give. Cumulative donations made through our website will also be tracked and recognized. Your support will make a difference in the lives of veterans, service members, and their families every single day.
